## Next Train to Harvest Hall

Opened in February, Harvest Hall in downtown Grapevine is a contemporary food and entertainment hall designed with a nod to the grandeur of Grand Central Station to reflect Harvest's prime trackside location. And the timing couldn't be better: New TEXRail train routes operate from Dallas/Fort Worth International Airport to Fort Worth and stop here. Travelers can stow their suitcases at the hall's baggage check and enjoy a meal or a glass of wine. Harvest Hall is home to seven food vendors, including Deep Ellum import Monkey King Noodle, Zatar Mediterranean, and Spuntino, which means "small meal" in Italian. An attached live-music venue called Third Rail keeps the space buzzing late into the evening. (817) 251-3050; [harvesthall.com](http://harvesthall.com). ➤ **C.J.D.**
